

Add Cash to Your Bottom Line & Save

Save an average of 14¢/gallon, with some discounts as high as 80-90¢/gallon with the TCI Express Fuel Discount Program.

We provide our clients with savings from the top names in the industry, giving any trucking fleet size the opportunity to save.

TCI has partnered with FTS to provide discounts on fuel at over 2000 locations across the U.S. including:

The TCI Express Fuel Discount Program is a free benefit that provides you with exclusive savings on all your trucking needs, such as tires, parts, oil changes, document scanning, wireless services, payroll services, and freight finder.
